One-on-one farm support for fire-affected producers

Producers in fire-affected regions can now access up to **three free one-on-one-sessions** with a **local farm management consultant** to help put their business back on track.

During the sessions, producers will be given tailored support to:

- 1 Assess their current situation
- 2 Work through the key issues and opportunities
- 3 Prioritise what actions to take

Advice available

The topics covered during the consultation sessions will vary from producer to producer, but they could include:

- ✓ financial planning
- ✓ property planning
- ✓ nutrition (feeding programs)
- ✓ herd and flock rebuilding strategies
- ✓ whole farm planning
- ✓ animal health and welfare advice.

Eligibility

Red meat producers (sheep, cattle, goat) located in a fire-affected postcode are eligible to apply. Producers will also need to demonstrate that they have been affected by fire.

To register, contact your state coordinator below:
